Happen!

OBSIDIAN GROUP

HR Consulting

Strategic Insight For A Global Economy

Our HR leaders are strategic architects who define organizational needs, identify gaps, and execute plans for implementing and tracking. Equally comfortable working in the C-Suite advising CEOs and their executive team, CHROs and internal HR teams or serving as an adjunct HR resource, we deliver the full range of strategic HR services including:

- Executive Coaching & Leadership Training
- Succession Planning
- Vision and Mission Realization
- Organizational Design & Development
- Career Navigation/Employee Branding/Outplacement
- Compensation Planning & Benefits Planning
- Employee Performance Evaluations
- Diversity & Inclusion
- Talent Management/Employee Engagement
- HR Compliance/Legal Services
- Employee Relations

Talent Acquisition

Talent That Drives Achievement: Hiring Right & Smart

In the end, an organization is judged by its ability to achieve. Obsidian Group sets the standard for strategic and creative talent acquisition, and facilitates changes that create and sustain opportunity. Our Principals and Business Advisors have worked with top global organizations and pedigreed talent – and our contact list as well as our knack for uncovering new talent are your secret ingredients for success.
